GMD400	36L135	6000	4	4.83	21
	48L195	7550	5	8.97	39
	54L255	8650	5	8.97	39
	60L255	8900	5	11.27	49

The weight does not consider the couplers

The first number of the model represents the width of the bucket in inches

The second number represents the capacity of the bucket in cubic yards x100

Example: 48L170: 48" wide, 1.7yd³
